

Dear Guests

We hope you had a pleasant journey.

The Denoth Handels AG is a serviced petrol station with a shop in Samnaun-Laret. Directly at the skibus-stop (Descent – Laret) and at the cheese-dairy in Samnaun, where you will also be shown how cheese is produced.

We are at your disposal with our service and advice during your stay.

If you wish, your car will be checked before your departure (oil-and cooling water, tyres, product against freezing of the windscreen check etc.) thanks to our petrol pump attendant. If you need new snow chains or one of our quality-motor oils like Shell and Castrol, we are pleased to give you some advice.

In our Shell-Shop Alpinetta we offer several duty-free products at good prices. For example tobacco, spirits, wines from all over the world, sweets, daily newspapers, magazines, toilets-articles, food, different kinds of fresh baked bread and a rather small choice of perfumes.
